

Local suppliers and contractors are invited to a Meet the Buyer event – to be held at the Barton Neighbourhood Centre, Underhill Circus, Headington, Oxford between 10am and 4pm on Wednesday 21st October 2015. The event will be opened by Cllr Bob Price, Leader of Oxford City Council at 10am, whose portfolio covers Corporate Strategy and Economic Development.

We are working on the prestigious Barton Park Infrastructure Scheme and would like to call upon reliable suppliers and contractors operating throughout Oxfordshire to help with the procurement and delivery of this project. We firmly believe in building good working relationships with the local supply chain and the event will provide an excellent opportunity for locally based companies to introduce themselves and meet our buyers and other members of our project team face to face.

If you are able to assist with any of the works listed below and would like to attend our event, please register to attend by emailing linda.hilton@cablackwell.co.uk or if you are unable to attend, but would like further information about our procurement opportunities, please e-mail: brenda.saunders@cablackwell.co.uk
